Hi Aaron,

Per the attached, our day of volunteer training will take place at The Pizza Press between 4:30 and 5:30, including the walkie demo. If Brian can come across the street for this we'd appreciate it - it will alleviate crowding at the BID office. With the gear coming in, we believe this to be best - the venue volunteers can check out their walkies from the BID after orientation.

Also - Leticia Valente, our original Volunteer Coordinator, was given a list of walkies codes to use by Brain, however, Leticia is sick and unreachable so we don't have that list. Is there a way you can either scan the codes for the volunteers to use or put them in an email for me tomorrow and I will attach that to their instructions/go bags for Wed. Roger Weiss, a lead team member and 3 year Lead Volunteer, will be serving as Acting Volunteer Coordinator on event day.

Sally Shore  
Executive Director
